• Mountain Records Report, George Christiansen

Mountain Fire Area The final eight miles of the PCT along the Desert Divide have been reopened. This allows access to five peaks that have been suspended since the Mountain Fire in July, 2013.

Now accessible are the following and I recommend unsuspension:

28C — Red Tahquitz

28D — Southwell Peak

28E — Antsell Rock

28F — Apache Peak

28P — Sam Fink Peak

The San Bernardino NF website does not currently reflect this, but the SBNF announced the opening on Facebook.

Remaining Suspended

6M — Hildreth

18A — Santiago Peak

18B — Modjeska Peak
