- Jim Hagar - Vice Chair
- Mark S. Allen - Secretary, Lookout Editor, Merchandise
- George Christiansen - Access and Mountain Records
- Sunny Yi – Programs Chair
- Ryan B. Lynch, Member At Large
- Mat Kelliher - Outings and Safety, Asst. Programs Chair
- Bill Simpson
- Meeting Call to order: 6:08pm
- Chairs Report:
  - COVID Reopening / National Requirements Discussion. Mat Kelliher discussed WTC Leadership success with outings over the last six weeks. WTC adapted to Sierra Club National medical requirements. Medical card and personal information required on participants, in their backpack. Some discussion as with the participants conditioning, but no medical evaluations. Medical card information kept by participant.
  - Hundred Peaks Leadership Sub-Committee to form Outings Leadership. To be comprised of MCOMM Members. M/S/Approved

- Appointment of Larry Pond to MCOMM Vacancy created by William Chen. M/S/Approved
- Elections 2021: Candidates: Jim Hagar, George Christiansen, Sharon Moore.
  - Discussion of positions filled without election to better focus on returning HPS to outings. M/S/Approved
- Outings and Safety, Mat Kelliher. Discussion of Reopening Outings
- Discussion and Approval of 9-21-21 MCOMM Minutes. Received and Filed
- Discussion of Treasurer's Report. Received and Filed
- Mountain Records, By George Christiansen:

**MOUNTAIN RECORDS REPORT**

*November 9, 2021*

George Christiansen

**FRENCH FIRE**

The French Fire near Lake Isabella has closed access to Sunday, Split, Black and Bohna. Ref: Closure Order 0513-21-25. This is currently a "short term" order (thru Nov 30), of less than three months, so I do not recommend "suspension" unless the closure is extended. Note however they are CLOSED PER FOREST ORDER.

**SUMMARY OF FOREST CLOSURES**

The Bobcat Closure (05-01-21-03) is in effect thru April 1, 2022.

The El Dorado Fire Closure (05-12-00-21-09) is scheduled to expire on March 32, 2022, and the adjacent Apple Fire Closure (05-12-53-21-04) is scheduled to expire on September 22, 2022.

The Holy Fire, although not recently closing any HPS Peaks, has affected some access routes. This Closure expired on October 9, 2021. All roads are now open, but the Bedford Motorway from Corona is on private property and local owners have prevented access. As of November 2021, some trails remain closed due to erosion. Check the Cleveland NF website for specifics.

**UPPER SANTA YNEZ RIVER ACCESS**

Hildreth Peak (6M) access via Route 1 in Santa Barbara County has been impacted by a major road washout between Romero Saddle and the Santa Ynez River (and the Caliente Springs Trailhead). Projected completion date is not available, but the Los Padres NF website appears to be current. Check the Santa Barbara District, "Trails, Roads and Campground Information". The upper Santa Ynez River is open to hiking, biking, but not vehicular traffic.
Programs Sunny Yi. 2022 Annual Banquet. Discussion next meeting
  o 2021 Holiday Hoopla discussed December 18th, JTree Lake Resort. To be determined
  o Spring Fling 2022 Discussed Hurkey Creek, April 2022

Meeting Adjourned 7:11pm
