- Mountain Records by George Christiansen:
- HILDRETH PEAK - I recommend un-suspension of Hildreth Peak (6M). Coby and others have accessed via the Potrero Seco Road. (Aprvd)
- CHIEF, HINES, TOPATOPA - Camille La Fredo suggested an alternate route to Chief and Topatopa (5/27 /19 to Michael Dillenback).  
I attempted to contact her to request that she put this in "Peak Guide" format, but she did not respond. To pin down the specifics, someone will have to hike and track the details to finalize a new route.  
The Nordhoff Ridge Road is now open with 20 permits per day issued.
- THORN POINT - The standard trailhead is not accessible currently due to a road washout. The road is blocked at the Cedar Creek trailhead, which adds approximately 1.5 miles round trip to the Thorn Point stats (thank you to Christopher Lord). Road repair beyond Cedar Creek will take an additional few months (November ?)
- SPLIT, BLACK AND SUNDAY - The gate at Greenhorn Summit - SR 155 at 24S15, providing access to Split. Black, and Sunday is now open.

- CRANSTON FIRE CLOSURE AREA - Closure Order 05-12-55-18-01 is scheduled to expire on July 31, 2019. If not extended or modified, the area west of the PCT on the Desert Divide will hopefully be reopened. I will advise all on August 1.
- HOLY FIRE CLOSURE AREA - Closure Order 02-18-15 is scheduled to expire on September 14, 2019. It is doubtful that the entire area will reopen at that time.
