Spring Fling 2013: Welcome in the spring with a fun and festive weekend full of outstanding peak bagging, spectacular wildflower viewing, and vigorous evening partying in the Southern Sierras. Camp at the group campsite (equipped with showers and flushing toilets!) we've reserved at Tillie Creek Campground on the shores of Lake Isabella Saturday night, or stay in one of many motels in nearby Lake Isabella, Keyesville, or Wofford Heights. Where ever you stay, everyone is welcome to join us for a hearty Happy Hour and Potluck, along with lots of socializing and serious relaxing around a roaring campfire beneath the moon-lit spring night skies. Check the HPS website, the Lookout, or the Angeles Chapter Outings website for scheduled Spring Fling hikes, and contact hike leaders directly for information on specific hikes. No charges for the campground, but reservations are on a first come, first served basis, so be sure to email HPS Programs Committee reservationist - Mat Kelliher early to assure your spot!

A momentous date worthy of a great hike, the third San of our three Sans series. We'll leave the Vivian Creek trail to ascend the formidable ridge to Dobbs Peak; continue the challenging climb over Jepson to the highest point in Southern California, San Gorgonio; descend and climb a still tough Bighorn and the awe-inspiring Dragonshead; contour to rejoin the beautifully verdant Vivian Creek trail. This strenuous 17.5 miles, 6500' gain hike is only for the experienced hiker. Please bring lugsoles, layers, liquids, lunch and hat. For trip details contact peterdoggett@aol.com. I: Hildreth Peak (5,065'): Slow but steady paced, strenuous 16 mile RT, 4,700' gain, cross country route from the south up through Agua Caliente Canyon. We'll start out along a gently babbling creek where we'll travel up through trees colored by autumn before heading up a steep, loose, sometimes brushy ridge to an old jeep road leading to this peak named after Joel Hildreth, one of the first Forest Rangers in the 1890's to patrol this gorgeous area of California formerly inhabited by the Chumash. And for an added bonus, we'll get to see the spectacular Miniature Hoover Dam enroute, a sight often missed by the unknowing. Suitable only for seasoned and well conditioned hikers. Consider car or tent camping near the trailhead Sunday night to facilitate early Monday morning start. Email Mat Kelliher with contact info, recent conditioning, and experience for trip status and details. Leaders: MAT KELLIHER, JIM FLEMING

I: Villager Peak (5756'), Rabbit Peak #2 (6640'): Among the many rewards of ascending and descending this spectacular ridge – views of the dramatic drops to Clark Dry Lake, the oft snowcovered Toro, the expanse of

the Salton Sea, and the vast badlands of Anza Borrego State Park -- is the inspiring sense of being a fortunate traveler on a divine celestial body. On a clear day, one can see as far as Arizona and Mexico; but be sure to keep your eye on the more immediate desert terrain, its loose shale and variety of thorny cacti. This very strenuous hike from S-22 to the Big Bunny is for the experienced hiker only and will be paced at 14 hours (not a fast 11, brisk 12, nor strong 13; but a moderate-strong 14). The total hike will be about 21 miles round trip with 8000' of gain. Please bring lug soles, liquids (at least 4 to 5 liters), layers, lunch, hat and head lamp (with extra batteries).
